

ALBANY SCHOOL ELECTRONIC MEAL SYSTEM

A student meal account is set up with a PIN (personal identification number) that will be assigned to students. PINs are CONFIDENTIAL. Parents should remind their children that PIN numbers are not to be shared with others. Students must memorize the four (4) number PIN as they will need to punch in their four-digit PIN for breakfast, lunch and milk.

- ALL meals must be paid for in advance. No money will be accepted by the Food Service Employee in the line. Money may be placed in the deposit box at serving time but, WILL NOT be available for use until the next morning. Lunch/Breakfast account money or checks should be placed in an envelope and placed in the drop box in the cafeteria. Any money received after 9:30 a.m. will NOT be added into the lunch account that day.
- When a family account reaches a balance of \$20.00 or less the family will be notified. This notification will come by email, phone or letter. If the account has insufficient funds after 3 meals, you may be notified by the Administration. A detailed statement of account charges, deposits and balance is available by checking your balance on-line using your family ID and PIN. Link is available on the Albany School District website www.albany.k12.wi.us.
